Welcome to the Online Canteen and Uniform Shop!

Our School24 Online Ordering System is available for you to start ordering your children’s morning tea, lunch and uniform orders at any place and at any anytime.

What is School24?

School24 is a web-based school canteen and uniform ordering system. It provides an alternative to the traditional ordering process. For more information, please go to the School24 website (www.school24.com.au)

How do I start using School24?

Once you have registered on the School24 website, you are able to use both the online canteen and online uniform shop, using the same login details. To register:

b. Click on Login / Register in the selection bar across the top of the page.
   c. Click on Create Account, fill in the form using our School Registration ID of 25156963 and submit. An email will be sent to you with further instructions.

For more detailed information on how to top-up, how to add students, and how to place orders, please refer to the Canteen Parent Starter Pack (available on the school website under “Our School” / Tuckshop).

Why use School24 for uniform orders?

School24 allows parents the convenience of placing uniform orders online. Orders will be processed by our Uniform Shop volunteers every Wednesday and delivered to your child in the classroom – no need to come in to the uniform shop!

Can I order from a mobile device?

Yes, the site is fully mobile. Simply go to www.school24.com.au, use the arrows to scroll across to the “Fully Mobile” page and scan the QR with your mobile device.

What if I have more questions?

The Canteen Starter Pack for Parents (which is on the school website) contains lots of information such as how to register, how to top-up, and how to order.

If you have further questions, please either email uniformshop@holyfamily.nsw.edu.au or contact the school on 9416 7200.
