Dear Parents

## Second-hand Uniform Trading

Holy Family Catholic Primary School is conscious of the need to provide an efficient process for families to be able to buy and sell their uniforms and other student resources. I am delighted to inform you of the school's new sustainability initiative to provide parents with the ability to trade these second-hand items via the Sustainable School Shop website.

### Results from other schools have been excellent:

- Families have enjoyed a more comprehensive and convenient method of trading these items
- This new service is far more accessible
- The service provides access to second-hand uniforms, calculators, music equipment, etc all year.

### How to use the Sustainable School website:

- Register on the Sustainable School Shop website (<https://www.sustainableschoolshop.com.au/register> )
- List your items for sale
- List wanted ads for those items you are looking to buy
- Set a price to sell your uniforms – or use the recommendations given
- The system is simple and easy to use - If you don't have a computer, internet access or an email address, please call the Sustainable School Shop for assistance

### How it works:

- The school's uniform lists are loaded into the system to make listing ads easy
- The system matches the ads of buyers with sellers and notifies the buyer via email
- Buyers contact sellers and arrange where and when to trade
- Parents can check the second-hand uniform stocktake report to see what is available
- Parents are well supported via Sustainable School Shop's telephone (0438 743 444) and email help lines

Holy Family Catholic Primary School is providing this service at no cost to our community. When registering on the Sustainable School Shop you need to nominate our school to receive your subscription.

All enquiries should be directed to the Sustainable School Shop on: 1300 683 337 or help is also available through 'Contact Us' on their website at [www.sustainableschoolshop.com.au](http://www.sustainableschoolshop.com.au)

We are very excited about this new initiative and we hope you will make the most of the opportunity to recycle your student's school items to help another family and student at our school, as well as helping the environment.

Yours sincerely,

Lou Dogao  
Principal
