OUR HOLY FAMILY SCHOOL PRAYER

FROM THE PRINCIPAL

Dear Parents,

Welcome to the Holy Family Catholic Primary School, Lindfield Community. I hope that your association with the school will be a happy and fruitful one.

Holy Family is a Catholic parish school that strives to educate each child, drawing on their unique gifts and talents to help them realise their potential. At Holy Family we appreciate that communities are built on relationships and understand the positive impact working together has on student learning. A friendly, trusting collaboration between principal, parish priest, teachers and parents is essential for this to be realised.

You have chosen to give your child a Catholic education. At Holy family we will do all that we can to guide the students towards a living faith in our God who loves us all. We see the school as an extension of family life and experience, acknowledging that parents are the first, and prime, educators of their children. It is therefore very important that your lifestyle is firmly grounded in, and models, Catholic principles and attitudes.

Thank you for the privilege of allowing us to share in these formative years in your child's life; it is in partnership that we can achieve great things for our children.

Lou Dogao
Principal

History of the School

Holy Family Catholic Primary School, Lindfield, was established in 1927 by Monsignor Crowley of Pymble Parish and was run by the Sisters of Mercy until 1940.

In 1940, Monsignor Downey, Parish Priest of the new Holy Family Parish, invited the Brigidine Sisters to conduct the school. The link with the Brigidines continued until 1999, although since 1976 “lay” principals have been appointed.

Holy Family serves the Lindfield/Killara Parish. Fifty percent of our children come from Lindfield, twenty-five percent from Killara and the rest from various neighbouring parishes.

The building of our new school commenced in October 1999 and was completed in October 2000. Classes commenced in the new school in Term 4, 2000. The new Holy Family Catholic School was blessed by Bishop David Walker and opened by Professor Peter Sheehan on Sunday, 5th November 2000.

Our School Motto

Strength and Gentleness is the school motto. The motto can be seen on the school logo which includes a depiction of the Holy Family. The motto is also included in the school song entitled Our Living Song.

Positive Behaviour for Learning (PBL)

This is the approach the school uses to teach the school rules within Holy Family. The students are taught that at Holy Family, students are Respectful Responsible Learners. Posters displaying these words and the rules that relate to this are on display in classrooms and around the school. Families are encouraged to display their version on the fridge and to regularly have discussions about the rules. The teachers have selected some themes that are explicitly taught using lesson plans prepared by a core group of teachers on the PBL team that includes representatives of the parent body.

Respectful Responsible Learners

This is the key school rule displayed in all classrooms and around the school. Students at Holy Family are taught how to be Respectful Responsible Learners.

The Leader in Me

Holy Family is a *Leader in Me* school. *The Leader in Me* is Franklin Covey’s whole school transformation process. It teaches 21st century leadership and life skills to students and creates a culture of student empowerment based on the idea that every child can be a leader. Content from *The 7 Habits of Highly Effective People* is a key component of the overall *The Leader in Me* process.

Buddy Program

To promote a smooth transition to school, the Buddy Program establishes social networks by providing Kindergarten students with buddies in the Senior School. The Buddy Program promotes a sense of community and belonging to the school and continues for the year.

Bullying

Bullying is not tolerated at the school. Anti-bullying brochures are available at the school office, and provide more information. If you think your child may be being bullied or is a bully, please contact the classroom teacher.

Bus Service

Applications for school Opal cards are done online at transportnsw.info/school-students. Students in Kindergarten to Year 2 travel for free, regardless of distance between school and home. Students in Years 3 to 6 are entitled to an Opal card if they live outside a certain area (approximately 2km from the school).

TransdevTSL provides transport to and from the school - Killara, Lindfield, Roseville & Chatswood. For further information, please contact TransdevTSL on 9457 8888. Timetables and route directories are available on-line. A teacher is on duty each morning and afternoon to supervise students catching buses.

Change of Information / Change of Plans

The school office must be notified as soon as possible if there is a change of plans as to how the student will be travelling home. Notify the school in writing if there is a change of address and/or phone numbers. This is particularly important for medical emergencies. It is also important to notify the school if any of the following changes: health problems, change in family circumstances, etc.

Child Protection

We take our responsibility to protect children seriously. All staff are expected to promote child safety by having a clear understanding of their legal child protection responsibilities and act in accordance with those responsibilities.

In particular the school will:

1. Maintain professionalism in our interactions with children at all times by exercising appropriate duty of care and maintaining appropriate professional boundaries.

2. Follow an established process to address allegations of inappropriate behaviour by staff towards children.
3. Ensure all people working in our school who are required to undertake a Working With Children Check have a valid clearance.
4. Respond appropriately when we suspect a child is at risk of significant harm due to possible abuse or neglect by a parent/carer or other adult.

Conflict Resolution

Conflict, between students, will occur from time to time. The skills needed for resolving conflict effectively are complex. They involve managing feelings, understanding others, communicating effectively, developing options and making decisions. Parents and carers play an important role in helping children resolve conflicts. You can also play a critical role in establishing positive guidance that teaches children the skills needed to resolve conflicts effectively. Contact your child's teacher if you need to discuss the problem.

The following resources are produced by Kids Matter and are recommended by the school:

<http://www.kidsmatter.edu.au/sites/default/files/public/KMPC2-201205-conflict-suggestions-for-families.pdf>

Complaints

We take complaints seriously and try to resolve them in the most appropriate, efficient and confidential manner possible:

- If you or your child has a complaint about a student other than your own child you should raise it with your child's class teacher.
- If you or your child has a complaint about a staff member relating to teaching and learning, the issue should first be discussed with the relevant teacher or the principal.
- If you or your child has a complaint about the inappropriate behaviour of a staff member towards any child or young person, your concern should be directed to the Principal and confidentiality must be maintained (see Child Protection).

Communication

The school communicates with parents in a number of ways:

- School website www.holyfamily.nsw.edu.au
- Weekly Newsletter link sent via Compass every Friday
- Parent/Teacher Nights – (Early Term 1)
- Parents & Friends (P&F) Meetings
- Student Workbooks
- Parent Teacher Interviews
- Class Overviews – (Beginning of each term)
- Teachers will contact parents when necessary

Compass

Compass <http://schools.compass.edu.au> is a web-based Parent Portal App which is accessible through your web browser or by using the Compass App on your phone. Each family will receive a unique login username and password to enable you to log in. Compass will allow you to see your children's school activities, absences, achievements and school news.

Drive Thru

This is a system which allows students to be dropped off and picked up safely. The driver must NOT get out of the car. Students must be able to unbuckle their seatbelt and exit the car with their school bags without assistance at drop off and get into the car and buckle up their seatbelt without assistance at pick up. Families are issued with a large laminated sign of their surname, to display on the dashboard so teachers can read this and call the students to the car and assist them to get into the car.

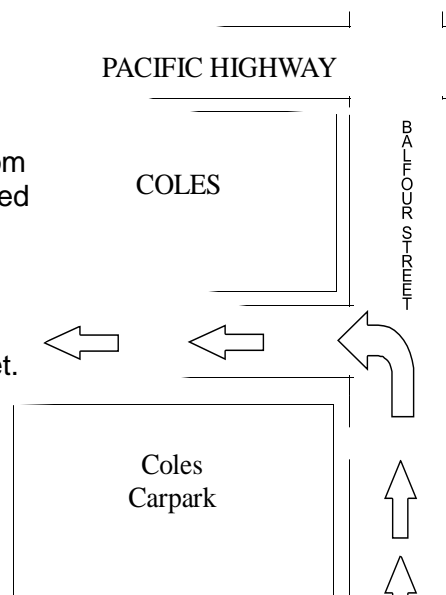

Turn left into Balfour Lane (off Balfour St), drive up the lane between Coles and the Coles car-park and enter the Stopping zone located between the church and hall, as indicated by the orange cones.

In the morning gates are open from 7:30am (no school supervision until 8.15am) and close at 8:45am. Gates are open from 2:50pm in the afternoons. The queue in the afternoon can start as early as 2.30pm but once the gates are open the queue moves freely. The last car is through at approximately 3.00pm.

Our “Internal Circulation Road” is an important feature of our school and offers an expedient and safe way for children to be dropped off and picked up from school. Our “Traffic Management Plan” states that entry is from the southern entrance in Balfour Lane only (between Coles and Coles car park).

There is on occasions a serious problem at the entrance to Balfour Lane, with cars lining up onto the Pacific Hwy intersection, through the lights causing further traffic problems. There is also a level of frustration, as drivers from both directions try to enter the laneway. Whilst it is legal to come down the hill from the Pacific Highway and turn right into Balfour Lane, there is a need to consider the safety of drivers who are trying to cross the intersection at the Pacific Highway and Balfour Road.

In an effort to streamline this process and reduce the potential risks we ask you to use a **left turn only** coming up Balfour Street. The easiest way to do this would be to turn right into the Pacific Highway, left into Highfield Road and go around the block coming up Balfour Road for a left hand turn into Balfour Lane. This should eliminate the problem.

Drop off and Pick Up

Extreme caution needs to be taken by drivers in Drive Thru as young children can behave unpredictably. Parents should never leave their car. No overtaking is allowed in this area. Please note: Drive through crosses the pedestrian crossing that many students and families use.

Students are supervised from 8:15am to 3:10pm.

Parking is available in Coles car park and limited parking is available in Highfield Road and on the Pacific Highway. N.B.: Cars are not permitted to park in the bus stops in Highfield Road or on the Pacific Highway. The Pacific Highway becomes a clearway at 3:00pm so parking time is limited.

Students leaving the school on foot are required to be picked up in the Undercroft unless they have parental permission to leave the school on their own. Parents are required to come into the playground to collect their children. You are asked to then take your children from the school as soon as possible to enable other parents to park. Please park legally whilst on the school premises. Students not collected by 3:10pm will be taken to the school office and the parent/caregiver contacted.

(Many families use the Drive Thru system outlined above).

Excursions

Students are expected to attend all excursions as they are part of the school day and form an integral part of the curriculum. The cost for excursions is included in the school-based resource fee. The senior school excursion to Canberra, held every second year, and the annual Year 6 Camp are billed separately to families. Permission slips must be signed and returned to the school. Students cannot attend excursions without permission being received in writing.

Immunisation

Students enrolling at Holy Family must provide a certificate of immunisation at the time of enrolment. Under the NSW Public Health Act 1991, children without proof of immunisation may be asked by Public Health Officials to stay at home during an outbreak of vaccine preventable disease.

Library

Library bags can be purchased from the Uniform Shop. They are to be used for carrying school library books to and from school on the day of your child's library lesson.

Lost Property

All of your child's property must be clearly labelled with his/her name. Lost property is located in the Undercroft. Unlabelled property is discarded at the end of each term.

Lunch

Students eat their lunch in the Undercroft. Please provide your child with a nutritious lunch that he/she can manage by themselves. (Ring-pull cans are strongly discouraged). If a student is unable to eat all of his/her lunch, we encourage him/her to take it home. Some of our students have life-threatening allergies to nuts and we ask that products containing nuts are not brought to school.

Medication

If you require staff to administer medication to your child then Medication Authority forms, detailing the reason for and the dosage etc. must be completed and signed by a medical practitioner. If children are well enough to return to school and are still on antibiotics, we suggest parents ask their doctor for a twice a day dosage or that the middle dose is taken once the child returns home. The medication must be in its original packaging. For further information please refer to the Medication Policy. These forms together with the Medication Policy are available on our school website.

Pastoral Care

Be You (previously KidsMatter) - Be You aims to transform Australia's approach to supporting children's and young people's mental health in early learning services and schools. Our vision is that every learning community is positive, inclusive and resilient – a place where every child, young person, educator and family can achieve their best possible mental health.

Punctuality

All students need to be at school by 8.40am. Late arrivals must be signed in by the parent or guardian at the Compass Kiosk (school office). Students are then issued with a late slip to give to their classroom teacher who requires this information for the student roll.

Reporting to Parents

- Getting to Know your Child Information Evening
- Parent Teacher Interviews
- Teacher requested interviews

Sacramental Programme

Lindfield – Killara Parishes are part of the Broken Bay Diocese and the sacramental programme is based on the programme implemented by the Diocese. Our parish has a commitment to the diocesan policy which asks that the preparation for the sacraments be: family based, parish co-ordinated, and school supported. For information about the sacramental programme please contact the parish office.

A schedule of fees is provided annually. Your total school account is billed annually with three instalment payment dates advised on the statement. If you have any concerns in relation to your schools account or the payment of it, please contact the school office.

Seniors refers to our students in Year 5 and 6. Holy Family have a team teaching approach to meeting the learning needs of students in these years and there is a focus on developing students' ability to problem solve, take increasing responsibility for their learning and work in co-operative groups to complete learning tasks.

If a student is unwell, the teacher will send or take him/her to the sickbay. The school secretary will consult the Principal and then contact the parent/caregiver and make the necessary arrangements. If your child is unwell, please keep him/her at home. Some common childhood diseases, which will require students to remain at home, are:

Staff Development – Pupil Free Day

Teachers are professionals who need to regularly update their knowledge and skills. Every NSW school suspends classes for five days for staff development. The school will provide parents/caregivers with at least three weeks' notice of staff development days. One of these days is always the first day of each new school year.

Our school has a “sun smart” policy that endorses the use of hats and sunscreen. Students must wear their hat every day of the year. Parents are encouraged to put sunscreen on their children. Students without hats are required to play in the shade.

Morning supervision commences at 8.15am in the Undercroft area. There is NO supervision provided until that time. Students who arrive early to school need to go to Before School Care. The school encourages parents/caregivers to drop off their children at or after 8:15 am. Supervision after school is provided until 3:10 pm, students remaining at school after this time are taken to the school office and their parents will be contacted. At 3.15 pm students will be sent to After School Care if we are unable to contact the parents.

Undercroft

The Undercroft is the downstairs area of the school located between the basketball court and the toilet block. Each morning years K-6 line up in this area in class designated lines. After school, students being picked up sit near the tuckshop and wait for their parents/caregivers. This area is supervised by teachers from 8:15 am in the morning and from 2:50 pm until 3:10 pm.

Walkers

Pedestrians – safety is paramount. Students walking to and from school by themselves must do so with parental consent. Students who walk to and from the school are to enter and exit the school via Highfield Road gates if walking up/down Highfield Road, or via the gate near the church and then across the pedestrian crossing if walking from the Pacific Highway.

Students should not enter or exit the school from any other point, unless under direct adult supervision. The laneway and Coles car park must NOT be used as pedestrian access as they pose serious risk to student safety.

Students who need to walk down Balfour Street are to walk down the pedestrian footpath on the Pacific Highway, cross at the lights to the Pizzeria and walk down Balfour Street (on the opposite side of the car park), avoiding the Balfour Street /laneway intersection.

Students walking to and from school, without adult supervision, must be able to do so safely. Parents are encouraged to consider the age appropriateness of this decision.

VOLUNTEERING

Child Protection

If you plan to volunteer in the classroom, or on excursions (anywhere which brings you in direct contact with students), the school requires you to complete the child protection forms available at the school office and complete an induction with the Assistant Principal. The safety of the students is paramount and no exceptions will be made.

The participation, involvement and help of parents, close relative and other volunteers are welcome and appreciated for various activities both in school and on excursions.

It is important that all volunteers are aware that they are subject to child protection legislation. This means all volunteers must:

- sign on at the front office, be inducted as per school procedure.
- check with the school what the current requirements are for the working with children
- not engage in any inappropriate behaviour towards any children. In particular although volunteers are technically not employed by the school, they are considered to be 'staff' for legal purposes and need to be aware that complaints about inappropriate behaviour towards any child or young person must be investigated (see Child Protection).

Class Parents

Early in the school year, parents from each class are asked to volunteer to be a Class Parent to act as a liaison person between the P&F, school and families. Class parents have responsibility for class related matters such as: producing and distributing a class list, organising class social events, co-ordinating their class's volunteer responsibilities and personally welcoming and supporting any new families into the school. The Class Parents are supported by the P&F Social Co-ordinator.

Holy Helpers

These volunteers provide help and support to families in need. The Holy Helpers provide a support system for school families in times of sudden illness, bereavement or family upheaval. Help includes: providing meals for a family, arranging school transport and providing emotional and other support. This support is provided with discretion; details are not reported to the school community at large. The coordinator's role is to galvanise the help available within the wider school community. People wishing to volunteer to assist or to receive the support should contact the school office.

Induction

The law requires all volunteers to complete a Work Health Safety Induction. Inductions are run by the school at the beginning of each term. You are unable to volunteer until you have been inducted.

Classroom Volunteers

Some classroom teachers will ask for volunteers to assist in the classroom on a regular basis. This decision to use volunteers in the classroom is made by each teacher to best meet the needs of the students. If you are asked to volunteer in the classroom the Work Health Safety Induction and Child Safety forms must be completed prior to commencing your duties. It is important that you remember to sign in and out of the school at the front office.

Parents & Friends (P&F)

The P & F is led by an executive committee which comprises: the Principal, an elected President, a Treasurer and a Secretary. Elections for these positions are held at the annual AGM. All parents are encouraged to attend the meetings, which are held at the school twice per term. The Parents and Friends association provides an opportunity for staff and parents to work together to ensure the students receive the best possible education in a strong family atmosphere. The P & F's goal is to encourage social interaction, participation in educational programs and fundraising. These goals are achieved by providing the parent community with many fabulous events throughout the year and contributing generously to the school.

School Advisory Board

The School Advisory Board oversees the implementation of Broken Bay Diocesan policies; school-based policies and oversees the implementation of the strategic plan. Communication and collaboration with the school and parish community is a significant part of its role. The Holy Family School Advisory Board comprises the Principal, Chairperson, Parish Priest, members of the teaching staff and parents.

Signing In and Out

It is important that the school is aware of all people on site during the day. On arrival every visitor/volunteer must sign the Visitor Register at the school office Compass Kiosk. It is important to sign out when leaving the school.

Volunteers Morning Tea

Held in November of each year, this morning tea allows the school to formally recognise and thank all those who have volunteered at the school. If you have volunteered at the school please attend this function and allow the school to thank you.

Art Show & Fair

This is the major event and fundraiser for the school year, building great community spirit while raising funds on behalf of the P & F. The Art Show & Fair is usually held mid to late March. The school hall is transformed into a sophisticated art gallery and the Cocktail Party held on a Friday night provides a wonderful start to the Fair. On Saturday, the entire school community comes together to enjoy activities for children and food and merchandise stalls. You will hear more about this early in Term 1 and opportunities to volunteer to assist will be advertised.

Prior to the Art Show & Fair, there is a request for donations of drinks (soft drink, juice and water) and lollies that can be on-sold during the Fair. The relevant dates and times of these collections will be advertised in the school newsletter. Helpers are stationed at each school gate and Drive Thru in the mornings, to collect the donated goods.

Art Show & Fair Committee

This committee consists of approximately eight parents. The committee is then divided into sub-committees with each year level being given responsibilities, such as Kidz Biz, BBQ and cakes etc. The committee works over the year to bring together an event that is not only an integral part of the school culture, but also the local community. Being part of a sub-committee is not only a great way to contribute, but also a great way to meet different people within the school community. There may still be places available in the sub-committees. For further information please contact the Art Show & Fair Convener through the school office.

Christmas Markets

The Christmas Markets is a fundraising event hosted by a volunteer committee who arrange for exhibitors and stall holders to create a “marketplace” in the hall. This event provides the parent community with an opportunity to stock up on food and gifts for Christmas. Profits earned from the event go to the P & F.

Colour Run

The Colour Run is a once a year event which generally happens in October. This takes place at a local park and students are asked to obtain sponsors who make donations for them to take part in this activity.

SOCIAL ACTIVITIES

Dad's Big Breakfast

This event is held on the Friday morning prior to Fathers' Day. Breakfast is served in the hall for all dads/special people of significance. RSVP's and payment are taken prior to the day normally via Trybooking. It is a special morning with about 400 breakfasts cooked for the students and dads.

Deli in the Park

In November each year current Holy Family parents who have children entering Kindergarten the following year organise a 'Play in the Park' to introduce themselves to the new Kindy children and parents and answer any queries they may have and make new friends. This is held at Deli in the Park at East Lindfield.

Disco

In Term 3 the Disco is held in the hall. Volunteers organise the disco, provide refreshments and supervision on the night. The evening is split into two sessions: afternoon session for children in Kindergarten through Year 2; and an early evening session for children in Years 3 to 6. Parents not involved in supervising are expected to drop their children off and pick them up at the conclusion of their session. There is a small charge per child attending to cover costs.

Fairy Fund

A Class Parent from each class collects a small voluntary amount (usually \$10 - \$15) from each family at the beginning of the year to cover such costs as a gift for the teacher's birthday, class celebrations and other incidental expenses throughout the year.

Mother's Day Celebration

Mothers' Day is celebrated prior to the Mother's Day weekend. Breakfast is served in the hall for all mums/special people of significance. RSVP's and payment are taken prior to the day normally via Trybooking. It is a special morning with about 400 breakfasts cooked for the students and mums. Following breakfast, Mass is celebrated in the Church.

Mother's Day Stall

Parent volunteers organise a gift stall, where each child has the opportunity to purchase a gift (usually \$10) for their mother/father (or someone significant).
