

Holy Family Catholic Primary School

Volunteer Form – 2021

Parent volunteers make a huge difference in helping provide the best education for our children. Getting involved in your child's school has benefits for your children, the family, and the school. It's a great way to show your kids that you take an interest in their education, and it sends a positive message about helping others. It's also a great way to get to know other families in the school.

There are many ways that you can help out at school. We sincerely appreciate the time and talent that you are giving. All help, large or small, adds to the strong community that is Holy Family.

If you can assist in any capacity during 2021 (subject to COVID restrictions), please fill in this form and drop it in to the school office. Alternatively, email it to info@holyfamily.nsw.edu.au
