

# Choose Your Weather

The friends are going on a picnic. There is a lot to do. Everyone helps.

**Draw a line to the picture.**

Allie put **toys** in a box.

Jumper put **balls** in a bag.

Sammy and Sophie put **food** in a basket.

It started to rain. Allie and Jumper got mad. But Sophie and Sammy did not get mad. They moved the picnic under a tent.

You can feel sunny, even if it rains.  
Leaders choose their weather.
