Reading must be recorded in their diary and this must be signed by a parent. Other home learning tasks will be **practice or revision** of topics taught in class. It may include word study, a Literacy task, a Maths task or a research task related to a class topic. Spelling list words must be learned and will be tested during class. Finishing off any unfinished classwork is an expected part of being in Senior School.

Home Learning will be available on Google Classroom, which can be accessed at home as well as school. Parents will be required to sign their child's diary on the night before home learning is due, to endorse that all home learning has been completed. Please send a note in your child's diary if he/she has not completed any part of the home learning by the due date.

Students will be required to complete and submit tasks online using the Google suite. It is therefore expected that they will have home access to a computer/laptop. Please do not hesitate to further discuss any issues which may arise from this expectation.

Just a reminder that the roll is a legal document and if your child is absent for any part of the school day you must enter it into Compass or a note/email sent in outlining the reason for the absence.

Students must have a hat every day.

Students are supplied with stationery items at the beginning of the year. They must come to school every day armed with a fully stocked pencil case - glue stick, blue and red pens, HB pencil, scissors and a 30cm ruler.

We look forward to another fantastic year at Holy Family.
